First of all Mr. Rabindra Ray, Procurement Chief, HPCIDBC welcomed all the participants in the clarification meeting. He informed all the participants about the details of work, their site location and major requirements for the work under PQ notice that has been published in the Gorkhapatra, a national daily newspaper on date 2070/10/15. After that, the questions raised by bidder's representative related to PQ notice are clarified from the side of HPCIDBC.

Employer's response on Bidder's queries:

S.N.	Bidder's queries	Employer's response
1.	<u>About JV Partner:</u> A firm making more than one JV with different firm is considerable or not in the Prequalification?	A firm may submit only one application either individually or as a partner of Joint Venture.
2.	<u>About Inflation Rate:</u> Bidder's representative also requested to specify about inflation rate / index of Nepal Rastra Bank used while calculating turnover and Particular Construction Experience in Present value.	Overall index of National Wholesale Price Index published by Nepal Rastra Bank shall be used.
3.	<u>About Particular Construction Experience:</u> Bidder's representative requested to exclude hydropower penstock pipeline laying work from contracts of similar nature, complexity and technology under Particular Construction Experience specified in the clause 4.8 (a).	No changes have been made.
4.	<u>About Particular Construction Experience:</u> Bidder's representative requested to consider the sewer or other pipeline works from dia 300 mm instead of 400 mm under 4.8(b).	No changes have been made.
5.	<u>About Particular Construction Experience:</u> Bidder's representative requested to clarify that requirement under 4.8(a) and 4.8(b) is within the same package of work or from different packages.	HPCIDBC clarify that requirement under 4.8(a) and 4.8(b) is considerable in both cases either within the same package of work or from different packages.
6.	<u>About the Financial Capabilities:</u> Bidder's representative requested to clarify about the consideration for cash flow under financial capabilities.	As clearly specified on clause 4.9 of GITA liquid assets, lines of credit and other financial means has been considered.
7.	<u>About the Qualification of Project Manager:</u> Bidder's representative requested to reduce the qualification of Project Manager from Master Degree to Bachelor Degree.	No changes have been made.
